

# CHRIST THE KING CONVENT PUBLIC SCHOOL, MYSORE

## NEWS LETTER AUGUST - 2024

Affiliated to CBSE / Aff . NO. 831341

### Dear Parents,

The Monsoon Season with this nature's fury warns us to be cautious, and being responsible for our health, hygiene, choice of food, clothing etc. However, we are safe and sound in the city unlike other places around the country where there are disasters, flood, landslides, accidents, death, and weather havocs. So, we should be thankful, for God's providential care and protection over us.

Let us remember and extend our concerns through our support of charity and prayers for all those who are suffering, dying and have lost everything due to this torrential rain and landslides especially in Wayanad.

Time is flying fast! The 2<sup>nd</sup> Periodic Assessment is coming up soon and the date is mentioned in the Monthly Calendar which is sent to you on 31<sup>st</sup> July. The schedule for the PA II is attached here below and a copy of it has been sent to you on 1<sup>st</sup> Aug. It is time to think, reflect, assess, and evaluate the learning and the knowledge gained these past months. The opportunity beckons our students Grade 1-8 to be focused and serious about preparing, practicing, studying for the periodic Assessment which begins on Monday, August 19<sup>th</sup>. For this same reason we need parent's cooperation and support on your child's study habits, attendance and good effort. The schedule is sent well in advance that you should not plan your outings, functions, ceremonies, appointments on these days of Tests. . There will not be a Retest for the absentees unless on discretion for genuine reasons.

This is very disappointing to see that students are signed out every single day for functions, pujas, temple visits etc. As a Principal in India, CKC is my 4<sup>th</sup> school, after Mount Carmel School, Shahabad, Teresian School, Mysore, and Mount Carmel Central School, Bangalore, this is the only

School, I find too much interruption in daily routines of students' learning. However, we get a wrong picture of your priority in your child's schooling and education. Parents, you have to play a vital role in the character formation and behavior of your child, instilling discipline, punctuality, right values; please advise them not to give into any kinds of malpractices during the test .We find them using chits, writing on palms or on eraser as means to copy. Let your daughter/ son know your priority of right values, so that they will imitate you.

As far as the students are concerned we need to them mould them, inculcate ethics, values and good discipline. CKC Public School will not waver from our commitment to promote academic excellence, goodness, discipline, and integrity, but we need your help in motivating your child through Holistic Education.

### Mark Your Calendar:
