NEWSLETTER JULY- 2026

Dear CKC Families

As the school gates reopened after the summer break, our campus once again came alive with the cheerful laughter, enthusiasm, and energy of our students. Classrooms buzzed with excitement as children reunited with their friends and teachers, ready to embark on a new month of learning and growth

Teachers Orientation Programme:

Our teachers participated in an inspiring Orientation Programme on 30th May conducted by Mr. Sivakumar N. V, a renowned educationist and CBSE trainer with over 35 years of experience. The session provided valuable insights into effective teaching practice professional growth, the programme was a meaningful learning experience for all participants.

World Environment Day Celebration

5 June 2026

Our school celebrated World Environment Day on 5 June 2026 with great enthusiasm. The theme for this year's celebration was "Climate Action." Students presented a value-based skit highlighting the importance of environmental conservation and the need to address climate change. Through their performance, they encouraged everyone to adopt eco-friendly practices and take responsibility for protecting our planet. The programme created awareness among students and inspired them to contribute towards a greener and more sustainable future.

As part of the World Environment Day celebrations on 5th June, a Poster Making and Collage Making Competition was organized for students from Grades 1 to 10 on the theme "Save Fuel; Save Earth." The students enthusiastically showcased their creativity and environmental awareness through thought-provoking posters and

collages. The competition encouraged young minds to understand the importance of conserving fuel and protecting our planet for future generations.

Kindergarten Green Day Celebration

Celebrating the Success of Our Grade X Alumni 2025-26

On 13th June, our Grade X students from the previous academic year were warmly welcomed back to the school for a special felicitation programme. The gathering was organized to congratulate and honour them for their commendable achievements in the board examinations. It was a proud and memorable occasion that celebrated their hard work, perseverance, and success, while inspiring the younger students to strive for excellence.

Teachers' Orientation Programme

“Teaching is the one profession that creates all other professions.”

A Teachers' Orientation Programme was conducted on 20th June 2026. The session was led by Rev. Fr. Peter CSSR, whose

inspiring words emphasized the importance of teachers as builders of character and architects of the future. His insightful guidance motivated the faculty to embrace their role with renewed dedication, passion, and a commitment to excellence. The programme was both enriching and empowering, setting a positive tone for the academic year ahead.

International Yoga Day Celebration

Our school celebrated International Yoga Day with enthusiasm and active participation from students. Through various yoga postures and breathing exercises, children learned the importance of maintaining a healthy body and a calm mind. The session encouraged students to embrace yoga as a simple yet effective way to enhance their overall well-being and lead a balanced lifestyle.

The Parent Orientation

Programme was successfully conducted on 22nd June 2026 for grade 8-10 , providing valuable insights into the CBSE curriculum and academic expectations for the year. We sincerely thank all the parents for their active participation and wholehearted cooperation. Your presence and support reflect the strong partnership between home and school, which is essential for the holistic growth and success of our students.

June was a vibrant and meaningful month filled with engaging activities, memorable celebrations, and valuable learning experiences. From observing World Environment Day and reflecting on our responsibility towards nature to celebrating the special bond between fathers and children, the month offered many opportunities for students to learn, participate, and grow together.

Advisory Committee Meeting

An Advisory Committee Meeting was held on 27th June 2026 with the active participation of the school management, Principal, teachers, parents, and student representatives. The meeting focused on strengthening the partnership between the school and parents to ensure the holistic development of every child.

The discussions emphasized the importance of giving greater priority to self-study over excessive dependence on tuition, ensuring quality education for all students with the support of parents, and encouraging active parental involvement in their children's learning journey.

Outcome: Parents wholeheartedly agreed to dedicate at least one hour of quality time every day to support and guide their children in their studies. Many parents also shared that they enroll their children in tuition classes due to the increasing academic competition. The school encouraged parents to nurture independent learning habits while continuing to provide consistent guidance and motivation at home.

As we welcome July, we look ahead with enthusiasm and optimism. The month promises new opportunities for learning, creativity, and personal growth through a variety of academic and co-curricular activities. With each passing day, we continue our journey of nurturing confident, responsible, and compassionate learners, making every experience a stepping stone towards a brighter future.

Periodic Assessment – I is fast approaching. We encourage all parents to support their children by helping them

follow a regular study schedule, revising lessons daily, and providing a calm and motivating environment at home. Your guidance and encouragement will go a long way in boosting your child's confidence and academic success. We wish all our students the very best for their upcoming assessments!
