NEWS LETTER SEPTEMBER – 2024

Affiliated to CBSE / Aff . NO. 831341

Dear Parents,

It was an incredible day for the Teachers on Sept 5th! Our students of CKC High, Primary and Public School put up a wonderful program to honour their 'Gurus' on Teachers Day. All of us enjoyed their multiple talents that they exhibited through their variety show. The Student Council and 9th Graders of our Public school surprised us again on 11th with another program for their teachers at our Auditorium. It was an exhibition of their leadership skills and an outcome of their involvement in planning, organizing and executing the event.

We are almost half way through this Scholastic year 2024-25. August and September were eventful months as there were lots of opportunities for the students as well as the teachers to take part in many Inter- School competitions conducted by various schools.

An Awesome day with Grandparents: International Grandparents Day was on Sept 8th, but our school celebrated last week Wednesday, 11th Sept. It was indeed a happy occasion to honor about 200 grandparents who accepted our Invite, and attended the program, spent almost half day with their grandchildren in the school. They were first entertained by the performance of our students and then we engaged them in games and fun activities. Our grandpas and grandmas were very free, active and sportive; some of them enjoyed even dancing with our teachers. They expressed their gratitude for the opportunities and told us that they are looking forward to many more. Thank you parents, for encouraging them and making, it possible for them to be part of this event.

First Term Exam: Term I Exam is scheduled for Gr- 1-9 from 23rd Sept. Pre K, LKG and UKG also will be taking their Exam as well. The pattern will be changed as per the CBSE for upper grade students. They have been well instructed already. It will be a half day school Timings on Exam dates will be 9:30am-12:30pm Monday to Friday and on Saturday 8:30am - 11:30am. Hall Ticket will be issued and it is mandatory to bring every day to school as their permit card.

100th Day of School Celebration: The Kinder students will have their 100 days of School celebration after the vacation. They may have a 100th day project to do with their parents during the vacation. Teachers will contact you and give you proper instruction.

Dussehra Vacation: This will commence from October 2nd to 14th. School resumes on 15th October. It would be better that your son/daughter complete all the Projects or home Assignments during the holidays. Parents, please look into it and engage them in learning one or two hours every day.
