

## Dear Parents,

News Letter has been delayed due to the eventful days we had in these past months that brought hectic schedule of activities. However, we have been informing you in advance all the events and activities happening in the school through WhatsApp messages and Monthly Calendar.

First of all, I would like to thank all the Parents for encouraging your kids to participate in Parents Day Celebration, School Trips, sports, games and competitions. Almost all the events have been conducted as we have planned and put on our Annual Program of the Academic year 2024-25. Last week we had Kindergarten Field Trip, Inter School Competition and Prize Distribution Program which was the culmination of this year's calendar events.

### Congratulations:

Amazingly our School won 2<sup>nd</sup> place out of 13 schools in an overall championship Award, organized by Schneider Electric Foundation India on Saving Energy and Environment. Congratulations to Grade 7 students Saanvi M. Sudan, Saanvika S and Niya Vinod who did an excellent presentation with PPT and Models held in SVEI School, Mysuru. Mr. Rathish coordinated with the Foundation and made it possible for the students to engage every month, students Gr 5-8 attend classes and activities, integrated with science curriculum by the experts and involvement of the science teacher Ms. Ayesha Khanum.

### Conserve my Planet - Green Championship

### Parent- Teacher Conference Attendance:

I appreciate all the parents who attended Parent-Teacher Conference held on February 12<sup>th</sup>, after the Periodical Assessment IV. There are few students despite the efforts and counseling, academically weak and struggling to cope with CBSE syllabus. Parents need to be vigilant and persuasive if your child needs to continue or make extra effort to bring her / him to the mainstream of CBSE curriculum.

### Reminder for School Fees:

Thank you for the payment of II Installment Fees. However, a few more families need to clear the School fee dues. We are kindly reminding you to pay it as early as possible, as we need to get ready for the yearend Auditing.

### Annual Exam:

Annual Exams for students Gr. 1- 8 scheduled from March 12<sup>th</sup> to 20<sup>th</sup>. Exam schedule is attached below. Students of Grade 9, are writing their Final Exam currently which started from 17<sup>th</sup> February until 28<sup>th</sup>.

**Uniform Infraction & Cleanliness:** Students are wearing wrong socks, shoes, ribbons, dangling anklets which are not allowed.

Socks smell as they were not cleaned or washed. Please encourage your child to wash it every day after school. Kinder, 1<sup>st</sup> and 2<sup>nd</sup> graders' parents should see to it, other children can do themselves every day to wash and dry their socks. Teach them to be clean and be hygienic.

Many students in lower and higher grades come to school, especially on Saturday and Wednesday with white uniform unwashed, socks and shoes soiled. Be

sensitive dear parents, your kids are sitting with other kids in the class, bad odor pollute the air and not hygienic. When the weather is changing, the temperature rises high so, children perspire a lot. Much care to be taken to practice cleanliness which is next to godliness. Please send them to school with clean washed and proper uniform.

*There are some parents in the upper grades take extra care to send their children neat and clean. We truly appreciate them for their extra care for their children.*

We are especially pleased with our kinder parents who send their children well groomed and with clean uniform. Thank you, parents, and we appreciate your good effort.

**Holiday:** February 26<sup>th</sup> is a holiday in honour of Maha Shivaratri celebration. Happy Festival!

**Student of the Month January-2025**

**Spelling Bee**

**Foundress Birthday**

**Field Trip to Country Club Resort Gr1 - Gr 9**

**Kindergarten Sports**

**Gr 1-Gr-4 Sports**

**Gr 5 - Gr-9 Sports**
